Vol. 6, No. 1

MONTHLY REPORT OF THE CANDLER PARK NEIGHBORHOOD ORGANIZATION

From the President...

I hope that you are recovering from a festive holiday season. I know that Karin and I are still busy trying to send out our holiday cards!

On a more serious note, we have a very important neighborhood meeting scheduled for January 11th. In addition to discussing the Freedom Park Design, we will also discuss a proposed temporary drop-off area for the Mary Lin School. It would be located in the parkland next to the school at the corner of North Avenue and Candler Park Drive. The third item to be addressed is the Historic Guidelines for Candler Park. You may obtain a copy of the guidelines by calling David Schenck at 659-4757.

In closing, I would like to thank Maya Hahn for the job that she has done as President over the past two years. I look forward to seeing you at the meeting!

FREEDOM PARK UPDATE

This month we have two important issues to consider regarding the Freedom Park Plan for redevelopment of the former Presidential Parkway land.

The first area of concern is the proposed pedestrian bridge spanning Moreland Avenue. At our November CPNO meeting, the group voted, after discussion, to consider the bridge pending further details of the construction materials and design. We should have those design and construction details from EDAW by the January meeting.

The second area for discussion is the width of the pedestrian and bicycle paths through our section of the park. EDAW has proposed a twelve foot width, which seems to be a standard. Other neighborhoods

Neighborhood Organization Meeting May 11th

The Candler Park Neighborhood Organization meets on the second Tuesday of the month at Epworth United Methodist Church, 1561 McLendon Avenue.

This month's agenda:

- 7:00 - 7:30: Refreshments
- 7:30 - 9:00: Regular Business
 - Safety Patrol Report
 - Historic Guidelines
 - Mary Lin Drop-off
 - Parkland Bridge & Paths

are looking at narrower paths. The Freedom Park Advisory Council and the City of Atlanta have agreed to leave the decision of the width up to the individual neighborhoods through which the paths go.

These two issues have been very controversial in the advisory council's discussions. It is very important that we in Candler Park thoroughly discuss and vote on them.
