## MONTHLY REPORT OF THE CANDLER PARK NEIGHBORHOOD ORGANIZATION

Volume 8 Issue 8/9

Sept 1996

### From The President...

I hope everyone had a great Olympics, and I'm sure we'll all be swapping our personal stories for years to come. My favorite story of my experience is of the time I was "carjacked" by Belorussians on their way to their judo competition.

One of my duties during the Olympics (in which I was joined by two other Candler Parkers, Barrett Tyson of Candler Station and Peter Hauser of Oakdale) was to deliver *The Olympian* newspaper to locations in the Olympic Village. One morning I was by myself making deliveries when I was suddenly surrounded by several men with heavy Russian accents shouting "World Congress Center! World Congress Center!" and pointing at their watches. They explained to me that their driver had not shown up (which was probably a misunderstanding on their part. There were buses provided to get to competitions) and they were suppose to have been at the WCC an hour earlier for competition. He asked, pleaded and begged me to drive them. I momentarily thought that it wasn't something I should be doing, I'd be late for where I was suppose to be, etc. But then I thought of what I'd been told in the ACOG training session - take on problems as your own and don't pass the buck.

So, of course, I drove them to the competition and they luckily arrived in time. In the process, I was reminded of those guideposts of personal responsibility and would like to remind you that improvement in the neighborhood aren't going to happen unless more people take the personal initiative to help.

The Candler Park Neighborhood Org. Meets on the second MONDAY of the month at Epworth United Methodist Church, 1561 McLendon Ave.

#### *This month's agenda:*

7:00- 7:30	- Refreshments
7:30 -	- Officer Report
	- GA Power follow-up.
	- Path foundation

The park will not be improved if you don't help with clean-up days or fund-raisers. Crime won't decrease unless you keep your neighbors informed, participate in neighborhood watches, and help deliver the *Messenger*. Appreciation for our neighborhood won't be raised unless you volunteer for the Tour of Homes. Give one of the officers a call and find out how you can get involved!

## Calling all Friends of Freedom Park East

After more than 25 years of attending meetings, contributing money to legal action, electing responsive political leaders to office and being arrested for civil disobedience, there is a strong sense of ownership of Freedom Park East by our neighborhood.

At the September 9th meeting, CPNO will consider what continuing responsibility it wants to take for this park. Ed McBryer of the PATH Foundation, which developed the path, will present to suggest what has been done with other paths, particularly in regards to litter maintenance. We will consider organizing a committee or task force to give leadership to our collective will.

In addition to maintenance, some neighborhood people have spoken of developing landscaping plan and working to implement it piece by piece. This could be done with individual or organizational contributions of specific landscaping materials. Others have spoken of making the sculpture work, done on a single event basis by Art Festival of Atlanta, a continuing rotating exhibit. Some are interested in beautifying the creek on the north end of Candler Park. Come to the meeting on September 9th or let someone know of your interest.

## Messenger Thanks

This is the third in a series of letters thanking the many volunteers that distribute the *Messenger* and *Bond Community Star* to you and your neighbors. This month's recognition goes to the deliverers of zone 2 which is concentrated in the southeastern corner of the neighborhood. Each month these people dedicate a small amount of time (at most a half hour) to dropping off a Messenger and Bond to each resident.

<b>Margaret Bryce</b>	Iverson from Ferguson to Candler

If you see any of these people making their rounds, you should thank them for their efforts. Even if you don't appreciate the documents, these folks' graciousness should be appreciated.

## 1996 Tour of Homes

The Annual Candler Park Tour of Homes has been slated for November 17, 1996. The tour focuses on the constructive solutions owners use to solve the problems on in-town living, such as lack of closet space, outdated kitchens, few bathrooms...

There are a lot of people who relish an opportunity to peek at some creative ideas, so we hope to gather between 8 -10 homes to show off in November. It is a lot of fun and a great money-raiser for the neighborhood. It enables us to continue our support of projects such as park clean-ups, security updates and donations to local organizations like the Mary Lin Trust.

Please call Dempsey Herlihy (404-523-6758) to share your palace with the public for a few hours in support of a good cause!

-Dempsey Herlihy

## ALSO... Volunteers Needed

All types of volunteers are needed for the Annual Candler Park Tour of Homes. Currently, we are looking for PR people, Graphic Designers and Artists, people to sell ads, people to write narratives and enthusiastic people to donate time on the actual day of the tour for money collection, T-shirt sales, Home Hosts, sign distribution, etc. You do not have to be a professional in any of the above areas, just have an interest to qualify! We need volunteers at all levels, so please don't hesitate if you only have a few hours to give. This is a great opportunity to get involved in your community and get to know some of you wonderful neighbors. If you are interested, please call Dempsey Herlihy at (404)523-6758.

Intelligence reports reveal that the best families in Candler Park have checking and savings accounts at BOND Credit Union.

They confessed it was the low fees and high rates that got them hooked. They begged forgiveness....but said they'd do it again. One is getting a car loan. Another a mortgage. They have BOND ATM cards, too.

They meet during banking hours, Monday-Friday, 11 a.m. to 6 p.m. at 433 Moreland Ave. or use direct deposit. They make appointments at 525-0619.
