

THE CANDLER PARK MESSENGER

MONTHLY REPORT OF THE CANDLER PARK NEIGHBORHOOD ORGANIZATION

Volume 8 Issue 11

Nov 1996

From The President...

At this month's meeting there will be a vote on an amendment to the CPNO by-laws dealing with votes on zoning variances and other zoning matters. This amendment would allow for zoning matters to be voted on by the executive committee without having prior notice posted in the *Messenger* as is currently needed. The object of this amendment is to allow for Candler Park to voice an opinion on zoning matters that otherwise could not be delayed a month to allow for the *Messenger* posting. The possibility though is that affected neighbors would not be made aware in order to voice their opinions. This vote was originally intended to occur last month but was postponed to the November meeting.

CPNO officers for the new year will also be voted on at the November meeting. The current list of those willing to fill these positions is:

Connie Weimar	President
Burt Skellie	VP of Public Safety
Dempsey Herlihy	VP of Special Events
Jack Hammond	VP of Finance
Eric Dusenbury	VP of Zoning
Bob Rowley	VP of Environment

Volunteers are still needed for 1st Vice President and VP of Communications. Any Candler Park resident who has attended at least 3 or more meetings in the past year is eligible to run for office. All Candler Park residents are eligible to vote.

There is a lot of activity occurring to spruce up and maintain our new park land. There are 3 planned events or meetings in November. Everyone should be able to contribute to at least one of the dates. See the article pertaining to this on the following pages.

Lastly, the annual Candler Park tour of homes is happening November 17th. Be sure to buy your tickets in advance for \$8 at Little Five Points Pharmacy or Candler Park Flower Mart at the corner of Oakdale and McLendon. Tickets will also be available at these locations the day of the tour for \$10.

From the Public Safety Desk:

The Zone 6 Station has moved it to its new home at 2025 Boulevard Dr. at the intersection of Kirkwood and Boulevard. Major Banda invites us to visit the new station, which is in need of interior decoration. So if you have any artwork to donate, please call Major Banda at 371-5002.

The big news this past month is the armed robberies in the neighborhood. At the last meeting, Patrolman Bud Watson informed us that the Candler Park Supermarket and My Dry Cleaners in Little Five Points were robbed at gunpoint around 6:00PM on consecutive nights in the middle of October. He said that one of the best detectives in the city is assigned to these cases, and a high priority has been placed on solving them. In addition, there have been a string of burglaries and car thefts in Candler Park and Lake Claire. Bud also reminded everyone not to respond to strangers who appear at the door asking for money because they are often casing the house. If you notice anything or anyone suspicious, CALL 911.

Bud also reminded us about the special patrol request forms that are available if you plan to leave town and want an extra patrol around your home. I'll bring some of these forms to the November meeting, or you can call Zone 6 to get them.

Freedom Park East Activity:

Last month a new C.P.N.O. sub-committee organized to protect and maintain the new Freedom Park East parkland, met for the first time. The goal of this committee is make sure the neighborhood is involved in the overseeing and development of this parkland. The committee has already planned several activities for November Please try and get involved if you are interested - there is plenty to do!

Next committee meeting - November 14th at 7:00PM at Epworth Methodist Church. This will be the second organizational meeting and the set-up and leadership of the committee is still being created. Come be a part of it. If you have questions, please call Eric Dusenbury at 522-7130.

Path Patrol Clean-up Day: There will be a clean-up of the bike path area on Saturday November 9th at 9:00AM. Meet at the benches at the end of Terrace Ave. The group will split up and make sure the path is free of litter. It shouldn't take more than an hour or two. If you are interested, please call Debra Snell at 370-0040.

Land Clearing Project: Saturday November 23rd at 9:00AM. The group plans to clear the underbrush and kudzu from areas of the park land that were not cleared by the city (i.e. along North Ave east of Oakdale). Meet at the corner of Oakdale and North Ave. and bring any 'clearing' tools you have and some gloves. If you are interested, please call Eric Dusenbury at 522-7130.

Free Trees For Candler Park

One of the most appealing characteristics of Candler Park, like many intown neighborhoods, is the number of large shade trees around our homes. Huge oaks, maples, beeches and other species provide numerous and invaluable benefits for Candler Park residents not to mention birds and other small animals. Many of these giant trees have been in a state of decline over the past few years as the result of severe drought and other factors. Our yard alone has suffered the loss of six large Oaks in just fourteen years, including the loss of the very first White Oak that was the clinching factor in our decision to buy our home.

Candler Park residents, with the help of *Trees Atlanta*, can help provide shade and beautiful habitat for the future. *Trees Atlanta* has offered FREE trees for planting in our neighborhood. These trees, all native species, may be picked up this fall at a time and place to be determined. These are not just saplings but large trees in 10 gallon buckets. Two people are required to plant them. If you are interested in receiving trees, please leave your name, phone number, address and description of site for the trees on my answering machine at 378-0365. You may wish to call *Trees Atlanta* at 522-4097 for additional information or to make a donation to the plantings on the new Freedom Park East bike path.
