To qualify to run for office, a person must live in or own property in Candler Park and have attended at least 4 CPNO meetings this year.

All of our current CPNO officers except myself and Roger Johnson wish to run for re-election, while Bert Bellinson, the current First Vice President, is running for President. If you wish to run for any of these offices, contact any officer. Nominations (and self-nominations) can also be made from the floor at the December meeting.

We hope someone will run for First Vice

President and for Vice President for Communications. The descriptions and duties for these offices are:

## Candler Park Tour Of Homes Postponed

Originally scheduled for December 9, the Tour of Homes has been postponed until spring. Mike Hyser, the Tour coordinator, says, "Due to the holidays, we didn't

have a lot of participation, both with houses and volunteers. We expect the new spring schedule to alleviate both problems." Look for details of the Tour in March.

# Candler Park Cleanup Day Is A Big Success

Saturday, November 17 marked what hopefully will be the first of many successful park clean-ups. About eight folks showed up to help clean up the trash and underbrush in the ravines in Candler Park facing McLendon.

Among the items we pulled out were a mattress, a chair, and about three dozen beer bottles. We also cut down a lot of privet and kudzu that were preventing the ravine from being visible from the street. The end result is that the ravines are cleaner, prettier and safer.

There was a lot of enthusiasm among the participants for another workday, and I plan to schedule one early next year.

Courtenay and I are expecting our second child about the time you will be reading this article, so I will be out of organizing mode for a while. Our goal will be to focus on a single area and to attack it with shovels, axes and saws, as well as clippers and garbage bags. If we don't dig out the privet and other underbrush, it

will be back next year just as big as ever. Keep your eyes open for an article in the January *Messenger* regarding our next workday.

Plans to create a Parks Committee remain intact. Several folks have expressed interest, and I plan to contact them and others in mid-December to organize our first meeting.

I am also looking for representatives from the Pool, Playground and Peavine Watershed groups to participate on the committee, so that we can coordinate all efforts to make Candler Park the best park in the city.

If you have not already done so, please contact me at 404-373-0428 or email to dc\_dusenbury@yahoo.com if you are interested in participating.

Happy Holidays!
